 1. They have accelerated the schedule, meaning we will get to the temporary baggage screening machines area in June.
 2. Phase II will include reno existing space mid-June. By November of 2021 project complete
- Bob Sikes Airport Foy Shaw Parkway near completion – end of May
- Highlight the Partnership A&P parking lot NWF Aviation Center of Excellence – 100 space parking and two driveways

Questions

Mr. Harrington asked - Are you concerned with running out of parking availability at VPS?

Mr. Stage responds – We identified a parking garage in our master plan, we hope to not need that for some time. Last year we added 350 parking spaces and this will complete an additional 800 spots. I feel very comfortable with the number of spaces for at least 4-5 years, the real issue is rental cars, taxis, and transportation companies.

Mr. Tracy Stage VPS Update Cont.

- Selection Committee including General Secord to find hangar occupants at Bob Sikes
- Don Davis with Vertex will use the hangar for testing and modifying, \$139,000/annually. Agreement will go to the County April 20th
- Commissioner Ketchel, Mr. Stage and Chair Fornell attended the F-15EX unveiling and naming at Eglin AFB replacing the C model.
- Operation VPS Ready Plan five key components have been checked successfully.
- Patrick “Jamie” Milton the Airports Maintenance Supervisor was tasked in getting our airport GBAC accredited and did a fantastic job.
