

# VPS Baggage Claim Expansion Project

## Details for Ground Transportation Providers

Project Start Date: August 19, 2024

Project Limits and Details:

Pre-Arranged Taxi Pick-up Location Move Date: August 16, 2024

- LAZ Parking can test your License Plate Read prior to that date if you like
- Area being blocked off and passenger cars removed in anticipation
- Signage will be clear that this area (20-25 parking spots) is for pre-arranged only
- Open to other suggestions understanding revenue controls and operations

Project Highlights:

- Will add two (2) additional Ground Transportation Ready positions (#3/#4) to the front curb
  - Move Airport Shuttle location and adjust #1/#2 positions to allow room for added lane
- Will add an AOC-Direct blue light pole for emergency or any other notifications
- Will Add/Replace the Taxi/GT Call Button so that providers in the que know a front curb space is available
  - Will likely be a simple light switch to turn on when leaving and off when arriving
- New east vestibule will be covered
